Dear Mr. Mantos:

We have completed our review of your quality manual, and found that it meets the new requirements of Title 14, Code of Federal Regulations (14 CFR) part 21, sections 21.307 and 21.607. The Federal Aviation Administration (FAA) approves the submitted manual in accordance with 14 CFR §§ 21.308 and 21.608 with an effective date of April 16, 2011. The FAA reserves the right to require changes, additions, or clarifications that may become necessary as a result of subsequent inspections and/or evaluations.

The FAA will validate the submitted quality manual for compliance to the new requirements at your facility's next scheduled certificate management activity.

Please retain this notification as evidence of the FAA's approval of your quality manual.
